RECEIVED

NOV 16 1999

Bureau of Land Mgmt
Fillmore Field Office

Nov 16, 1999

Amendment to the notice of operation on claim Pumice No 1, UMC 363403.

Improvements will be made on an already existing access road from Cudahy mine to Pumice mine site. Improvements will be made by a D7 Dozer. Width of the road will remain the same, not to exceed the width of the dozer blade. Improvements will consist of smoothing and leveling existing Road. Any reclamation deemed necessary by the BLM will be completed by the operators
